§ 728.75

first 6 weeks (42 days) following delivery. If the newborn infant requires care beyond the 6-weeks postnatal period, the mother or other responsible family member must make arrangements for disposition to private, State, welfare, or another Federal facility.

(c) *Application for care.* In making application for care authorized by this section, former women members should apply either in person or in writing to the Armed Forces inpatient MTF nearest their home and present either their DD 214 (Armed Forces of the United States Report of Transfer or Discharge) or DD 256A (Honorable Discharge Certificate) as proof of eligibility for requested care. In areas with more than one Armed Forces MTF available and capable of providing required care, application should be made to the MTF of the service from which separated, as applicable. Disengagement in such areas to MTFs of other services may be made only when space is not available or capability does not exist in the MTF of the services from which the individual was separated.

(d) *Charges and collection.* Charges and reimbursement procedures for care rendered to beneficiaries in paragraph (a)(2) of this section are the same as prescribed by current regulations for active Coast Guard, USPHS, and NOAA members.

§ 728.72 Applicants for enrollment in the Senior Reserve Officers' Training Program.

When properly authorized, designated applicants (including applicants for enrollment in the 2-year program and Military Science II enrollees applying for Military Science III) may be furnished medical examinations at naval MTFs including hospitalization necessary for the proper conduct thereof. Medical care, including hospitalization, is authorized for diseases contracted or injuries incurred in line of duty while at or traveling to or from a military installation for the purpose of undergoing medical or other examinations or for visits of observation.

§ 728.73 Applicants for enlistment or reenlistment in the Armed Forces, and applicants for enlistment in the reserve components.

(a) Upon referral by a commander of a Military Enlistment Processing Station (MEPS), applicants will be furnished necessary medical examinations, including hospitalization when qualifications for service cannot otherwise be determined. Use the hospitalization period only for diagnostic purposes. Do not correct disqualifying defects.

(b) Applicants who suffer injury or acute illness while awaiting or undergoing processing at Navy and Marine Corps facilities or MEPS may be furnished emergency medical and dental care, including emergency hospitalization, for that injury or illness.

§ 728.74 Applicants for appointment in the regular Navy or Marine Corps and reserve components, including members of the reserve components who apply for active duty.

(a) Necessary medical examinations may be furnished, including hospitalization when qualifications for service cannot otherwise be determined. Use such a period of hospitalization only for diagnostic purposes. Do not correct disqualifying defects.

(b) Applicants who suffer injury or acute illness while awaiting or undergoing processing at Navy and Marine Corps facilities or MEPS may be furnished emergency medical and dental care, including emergency hospitalization, for that injury or illness.

§ 728.75 Applicants for cadetship at service academies and applicants for the Uniformed Services University of Health Sciences (USUHS).

(a) Upon presentation of a letter of authorization from the Department of Defense Medical Examination Review Board (DODMERB), applicants for cadetship at Service Academies (Navy, Army, Air Force, Coast Guard, and Merchant Marine) and applicants for the Uniformed Services University of Health Sciences (USUHS) will be furnished medical examinations at facilities designated by the DODMERB. Hospitalization is authorized when qualifications for service cannot otherwise be determined. Use the hospitalization
